Phillipe olfateó las zanahorias, pero cuando Bella le ofreció una, él le empujó suavemente las manos.

"¿Pasa algo?" preguntó Bella.

Phillipe dejó caer su cabeza y dio un pequeño suspiro. *Algo no está bien*, pensó Bella. ¡Phillipe está muy melancólico!

Phillipe sniffed the carrots, but when Belle offered him one, he gently butted her hands away.

"Is something wrong?" Belle asked.

Phillipe hung his head and gave a little sigh. *Something is not right*, thought Belle. Phillipe was so gloomy!

"¡Tú debes decorar su establo!" dijo Lumiere.

"Yo creo que la *música* es la llave de la felicidad", dijo Dindón.

"O ¿qué tal un baño de burbujas?" agregó Chip. "¡A mí eso me alegra mucho!"

"You must decorate his stable!" suggested Lumiere.

"I do believe that *music* is the key to happiness," said Cogsworth.

"Or how about a bubble bath?" Chip chimed in. "That makes *me* very happy!"

Después, Dindón instaló una orquesta en el establo. Phillipe no parecía gozar el concierto.

"¡Pero por lo menos su apetito ha vuelto!" dijo Bella.

Next, Cogsworth set up an orchestra in the stable. Phillipe didn't seem to enjoy the concert.

"But at least his appetite is back!" said Belle.

Belle found the Prince in his study and she explained everything to him. "I wish I knew what was wrong with Phillipe," she said. "Do you have any suggestions?"

The Prince thought for a moment. "Maybe a walk would do him good," he said. "A good walk would always cheer me up."

"Of course!" cried Belle. "That's a wonderful idea!"

Rápidamente, Bella se cambió la ropa por su traje de montar y se apresuró a ensillar a Phillipe. Cuando él la vio venir, se animó.

Quickly, Belle changed into her riding clothes and hurried to fetch Phillipe's saddle. When he saw her coming, he perked right up.

Bella no se dio por vencida. "Apuesto que un buen galope te haría sentir mejor", ella dijo.

Bella se inclinó hacía delante y jaló las riendas. Pero Phillipe sólo empezó a mordisquear un trébol.

"¡Ay, Phillipe!" dijo Bella con desesperación. "Ya no sé qué más hacer."

Belle did not give up. "I bet a good gallop would do the trick," she said.

Belle leaned forward and snapped the reins. But Phillipe just began nibbling the clover.

"Oh, Phillipe!" said Belle in despair. "I don't know what else to do."

De repente, las orejas de Phillipe se levantaron. ¡Después él salió corriendo como un caballo de carreras hasta el bosque! "¡Guau!" gritó Bella. "¡Phillipe!, ¿a dónde vas?"

Suddenly, Phillipe's ears perked up.
Then he charged off like a racehorse toward the woods!
"Whoa!" cried Belle. "Phillipe, where are you going?"

"Está bien", le dijo Bella a Phillipe. "Ve y diviértete."

Phillipe trotó ansioso hacia la manada.

Toda la tarde, Bella miró a Phillipe que jugaba. ¡Pronto, él había hecho una amiga!

"It's okay," Belle told Phillipe.
"Go have fun."

Phillipe trotted eagerly over to the herd.

All afternoon, Belle watched Phillipe play. Soon, he had even made a friend!

"¡Oh!" dijo Bella mientras el sol se ponía, "¡tenemos que regresar! Prometo que regresaremos pronto."

En el camino al castillo, escucharon el sonido de unos cascos.

"¡Mira eso, Phillipe!" Bella exclamó. "¡Tu nueva amiga te sigue!"

"Oh," said Belle as the sun was setting, "we've got to go home! I promise we'll come back soon."

On the way to the castle, they heard the sound of hooves.

"Look at that, Phillipe!"
Belle exclaimed. "Your new friend is following you!"

Bella y Phillipe aminoraron su paso y la tímida yegua se fue acercando más y más. Al llegar al castillo, los dos caballos caminaban uno junto al otro.

Belle and Phillipe slowed their pace and the shy mare drew closer and closer. By the time they reached the castle, the two horses were walking side by side.

"Bienvenida a nuestro castillo", le dijo Bella a la yegua. "¡Estamos honrados de tenerte como huésped!"

Bella se apresuró a arreglar el establo. "Ahora sí", dijo. "Esto luce como un establo donde un caballo (¡o dos!) podrían vivir felices para siempre."

"Welcome to our castle," Belle told the mare. "We're honored to have you as our guest!"

Belle hurried to fix up the stable.

"There, now," she said. "This looks like a stable where a horse (or two!) could live happily ever after."
